## 1 INTRODUCTION

---

### 1.1 Purpose of the document

This document is a supplement to Deliverable D9.2 wo short films on URBANFLUXES. Two short films were created in URBANFLUXES. The first short video was created in the beginning of the project to urge the users to participate in the Communities of Practice (CoP), while the second short film was created in the end of the project to summarize the project and it was presented in the Demonstration Events.

### 1.2 Definitions and acronyms

#### *Acronyms*

CoP	Communitie of Practice
URBANFLUXES	URBan ANthropogenic heat FLUX from Earth observation Satellites
WP	Work Package
